Traffic Management Level 2 (Theory)
30864QLD – Implement Traffic Guidance Schemes

On successful completion of this course trainees will have the skills and knowledge required to read, interpret and implement traffic management plans and to install and remove signs and devices in accordance with the Manual of Uniform Traffic Control Devices Part 3 (MUTCD) ensuring everyone's safety whilst traffic flow is maintained.

Course Duration

8 Hours Theory

The trainee is also required to complete three (3) signage set ups of varying complexity. These setups must be completed in accordance with the MUTCD on live job sites and within six (6) months of attending the theory component. A 'Traffic Management Log' and 'Third Party Report Verification' needs to be completed for each of the three (3) set ups.

Training Course Outcomes

A "Statement of Attendance" will be issued upon the successful completion of the 8 hour theory course.

A "Statement of Attainment" and wallet size card will be issued once the trainee has produced the documented evidence of the three (3) practical set ups.

Entry Requirements

Must hold a General Safety Induction (White Card)

Traffic Management Level 2 (Practical)
Practical Set Ups

We will provide the trainee with live work sites to complete the three (3) signage set ups of varying complexity so they can become competent in Traffic Management Level 2 – 30864QLD Implement Traffic Guidance Schemes.

Duration

5 Hours (approx)

Outcomes

A 'Traffic Management Log' and 'Third Party Report Verification' will be completed for each of the three (3) set ups.

These reports can then be forwarded to the RTO who completed your theory component.

Entry Requirements

Must hold a General Safety Induction (White Card)

Must have completed the Level 2 Traffic Guidance Course – 30864 QLD
